LEARNING AT GKC

WELCOME

Glasgow Kelvin College has all the technical and professional expertise, along with state of the art facilities and resources to ensure that you receive a high quality learning experience. It is an experience that equips you with the skills and knowledge to enable you to compete in today’s challenging jobs market, or to move on to further, more advanced learning.

We welcome enquiries and applications from individuals from all backgrounds and abilities. The range of courses available at Glasgow Kelvin is designed to meet the needs of learners of all ages and all levels of ability from introductory tasters and National Qualifications, through Higher Nationals, right up to degree level qualifications.

From the technical disciplines of engineering, science and construction, to the creative industries of jewellery design, fashion, art and music, via humanities, childcare, beauty therapy, health and sport, the programme offer at Glasgow Kelvin boasts numerous progression routes, all leading to further study, or to employment. Our Apprenticeship programmes from Foundation level to Graduate level allow students to gain job-specific skills while at work or at school.

This quick guide details the list of courses offered at Glasgow Kelvin College. You can find more information on these courses including apprenticeship and flexible programmes on the College website at www.glasgowkelvin.ac.uk. Alternatively, you can contact our friendly Advice, Guidance and Learner Support team by phone on 0141 630 5000 or by email at info@glasgowkelvin.ac.uk

Whatever your plans and career aspirations, Glasgow Kelvin is uniquely positioned to help you achieve your potential and realise your ambitions. Please take a good look at the exciting range of learning opportunities listed in this course guide and think about how coming to Glasgow Kelvin could set you on the road to success.
